JOSEPH F. GRYGA JR.

July 13, 1930 - January 11, 2025

Joseph F. Gryga, Jr, 94, of Syracuse, NY, passed away peacefully on January 11, 2025. Born on July 13, 1930 in Syracuse to Joseph and Petronella (Karczewski) Gryga, Joe attended Sacred Heart School, was a graduate of St. Patrick's High School, and attended SU's University College. Joe served in the Army during the Korean War, and was honorably discharged with the rank of Sergeant. He was a proud member and past president of the (Solvay) Geddes Rotary Club.

If you ever met Joe, you know that he was one of the most positive people you could ever meet. Joe truly believed that a person's attitude was the most important part of their life that they could control. He would often remind us that it was important to adjust your attitude and keep moving during the stressful times of life. With this attitude he was able to open his own business and become the owner and principal of Gryga, Lewis, and Associates, not retiring until he was in his late 80s. He truly loved helping people through his work. Joe could get into conversations with anyone, and wanted to hear and then share the stories he'd hear. He loved learning about history, politics, the world – you name it – and he tried to find the humor in even difficult situations. Joe also enjoyed reading, spending time with his grandchildren (especially driving them around in his big van in any kind of weather), listening to classical and country music, and going out to lunch with his friends.

Joe was predeceased by his granddaughter, Sarah Gryga, his brothers, Fred and Theodore Gryga, his daughter, Jeanette Bakowski-Astafan, and his wife

of 67 years, Josephine (Leonardi) Gryga (whom he took great care of in the later years of her life).
He is survived by his son, Paul (Kim) Gryga, his daughter, Karen (Steve) McPeak, and his grandchildren, Peter (Blythe) Gryga, and David, Katy, and Lizzy McPeak, and several nieces.

My friendship with Joe goes back to when I was a young boy in scouting along with my parents Chuck & Rusty. Joe and his family lived just a short walk from our home on Caroline Ave.
However, Joe's lasting presence with our family was his financial advice starting over 50 years ago. His spot on advice served us well in our life insurance needs and 401 K structuring. We would not be where we are today in our retirement years if it was not for Joe. Every summer we would include in our visit back to central New York a drop in to see Joe. For sure we will miss those visits but are forever grateful for the sound advise he gave.

Condolences to Joe's family. He was a stand-up guy that is for sure. Did business with him since the 1970s.
