“ Dear Joe,Alice,Jeanette

Anne and I grew up together as part of the Possenti sisters clan. Food was a big part of our lives. All the women in our family could cook but Anne was a shining star in the kitchen especially when it came our our ethnic Tyrolean dishes. You could never leave a visit without being fed. She had wonderful smile and a great sense of humor. My mother Olga died when i was 13 andl was looked after by all my aunts and uncles including her mom and dad.. Dear cousin Anne rest in peace you shown brightly as a star who left the world a better place.You legacy lives on through your children and grandchildren.

“ Mike, Dave, and family,
We are so very sorry to hear of your mom's passing. She was such a beautiful person both inside and out. Rod has fond childhood memories of eating peanut butter sandwiches at her house for lunch. Whenever we would see her she would joke how she could not get him to eat anything but that. He would always say he loved playing at her house and how awesome she was. These times make it more difficult to support and comfort you all, but know that you are all in our thoughts and prayers. May God bless you all.

“ Dave, Mike, Lynnette, Missy and the grandchildren,
We were very sorry to hear about your mom's passing. She was always one of the warmest, nicest woman anytime we saw her and I'm great full that I had the pleasure of knowing her since childhood. I always took pleasure in catching up with your parents when I'd run into them, usually at church. Mrs. Artini always treated all of your friends like one of her own and she'll be greatly missed but never forgotten. It's sad that during this current time she can't have the send off that she deserves. Karen and I will keep all of you in our prayers. May God Bless all of you.

“ Dave, Mike, Lynette & Missy - We are so deeply saddened upon the loss of this wonderful, sweet woman. Anne was a terrific mother, as is so apparent in her beautiful family, she was the most loving, super fun "Mema" to her amazing grandchildren, and she was the sweetest, kindest woman that we were lucky enough to count as a dear friend. We were so lucky to have spent many fun holidays, family celebrations and vacations together. Anne, we will miss you but keep you in our hearts forever.
Love you all...Chris & Don

“ So sorry to hear of Aunt Anne's passing. She was always so friendly and welcoming to everyone around her. Even though we haven't seen each other in a long time, she was always keeping in touch with us by sending cards as well as Facebook messages, checking on us and our children. “ Dearest Aunt Anne was always smiling always offering her place to stay and always very much in love with Uncle Joe. They were inseparable. We didn't get to see them as much as we got older but when we did she was always loving and hospitable to all of us from Detroit. We will miss our yearly Christmas cards too. Love to your family.
