“ Hello family,
I'm afraid I just heard of Carol's passing, feel like I was just emailing her recently. Carol was such a wonderful gal, I spent some time with her in various ways. So sorry to hear of her passing, she did so much for so many others in her life. I hope everyone will get along OK without her. We will miss her...

“ Dear Bill and Amanda,
I just heard yesterday about the passing of Carol. I wish to express my sympathy to both of you along with the wonderful memories I have of Carol and the good times shared at Sacred Heart School. Those were good days and I am grateful that your mom was a part of them. Carol always came in with a smile and had a great positive attitude and interest in the students she worked with. Nice person to be around and have in our school. Amanda, I hope you are doing well I whatever path you chose to follow. Your mom always wanted the best for you. She truly loved you. Please be assured of my prayers for Carol and for the both of you. Be at peace as you hold on to the memories held in your heart. God bless you. Sister Melanie (still at Sacred Heart)!!
