“ Dear Robin and Kelly, Sorry to hear of your Dad's passing. We'll remember him from the car club days. We had some good times together and he was always an easy guy to be around. I'm sure your Mom has been waiting on him and now she's expecting him for Christmas. May they both rest in peace. God Bless them both.

“ So sorry to be unable to be at the services for Butchie but Bill and I are in Florida for the winter. I thought I sent memory message earlier but do not see it so I'll repeat the thought. My fondest memories of Butchie were all the mischief he, Harry, my brother Joe and I got into as kids. Helping ourselves to vegetables from the garden or to fruits from the trees and bushes, we were always into trouble I even remember helping ourselves to canned peaches and pears in the fruit cellar. . My scariest memory was when I was spending the night at the old house and in the middle of the night found I needed to go potty - well, it was winter and the potty was an outhouse. Tears and prayers are on the way. Oh, I hadn't remembered how much Butchie and my brother Joe resembled one another. God bless. Sincere sympathy to the family.

“ We moved in next store to Ed 7 years ago and from day one could have not asked for such a wonderful neighbor. We will truly miss his smile and kindness. We enjoyed him walking over and visiting us on our deck, that we will miss so much. Our prayers, thoughts, and deepest sympathy to the family.

“ Thoughts and prayers to the entire family. Eddie was a great man and a fantastic neighbor and friend. His friendship with my mother helped her through some very difficult times when my father passed, and for that I am eternally grateful. Rest in peace, you will be missed.
