“ Scarsciotti family, I just heard of Gino's passing and was deeply saddened. I worked with Gino at Onondaga West during the late '90's and knew him as a good worker who could be counted on to always get the job done. In later years I came to know him as a dedicated union leader who had the best interests of his fellow employees in mind. Whenever I encountered him over the years, Gino had a kind word and upbeat attitude. Please accept my sincere condolences and be assured that he will be missed by many members of the DOT family.

Best regards,

“ Eileen, Anthony and Gina,  
Eugene was a very good man and a wonderful family friend. I am so glad he lived next door to my parents. Our family always enjoyed our time with him. Every time I came back to Syracuse I would bring him a case of his favorite beer to, in small way, say thank you for being there for us and them. Wish I could give him a few cases for his journey. He would have liked that.  
My sincere condolences. I most certainly will be making a donation to St. Jude's per his wishes. Know that he will always be fondly remembered.

“ Gino was a great friend, in 1999 Gino his son Anthony, myself and my Son Zack went to Rochester for the release party of Windows 2000. It was a great day to hang with Gino and our Sons, we loved computers. He was a great Dad to his kids Anthony & Gina. The world lost a genialman and a upstanding Guy. Prayers in God blowing wind are heading to his family and friends to comfort the sorrow of the oss of Gino.

“ Gino was a gentle soul and a true unionist. He believed in the labor movement with his every fiber. When I first started my current job, Gino was one of the first union presidents to show me around his work locations and introduce me to his co-workers and I will be forever grateful for that.

I have had the extreme pleasure of meeting Ginos family recently and what wonderful people they are. They adored Gino and he them and it showed. His love for them shone brightly. Gino taught me some things about life that I will never forget.

RIP Brother Gino and thanks for being such a genuine person, it's rare these days.

You will be missed.
