“ *Carol and family, very sorry to learn of Adrians passing. I enjoyed many a day with him at the rehab center of St Joes on Taft Rd. We had conversations on treadmills next to each other. He had a great laugh and an even bigger smile. My condolences to you and the family. Nick Pirro*

“ *To Adrian's family. I had the pleasure of being the Director of Volunteer Services at Community General Hospital from 2003 to 2005. Adrian was one of our most dependable volunteers and I looked for him every Tuesday. I enjoyed our conversations and we both "busted" on each other often. It was my good fortune to know him and see him on a weekly basis. Please accept my condolences and may he now be resting in peace.*
