“ As a young girl in the 40's and 50's I attended weddings with my family and always looked for Angie because she was so beautiful and wore pretty dresses. WE met several times over the years at other gatherings and was always pleasant to me. A few years ago I met her again at Mass at St.Cecelia's--still beautiful and impecially dressed. We did a few things together and she will always be a model for me mostly because of her friendliness,honesty, and upbeat manner. Joanne Miceli Bentley
