“ LeOra and family, We are so sorry for your loss. Anita was always smiling and always friendly and always laughed, (even when she might not have known what she laughing about. The loss of a parent is never easy, but her suffering is over. You will have good memories and she will always be in your heart. You really never get over the loss; you manage to get through it. There is a saying " Not a day goes by that I don't think of you and smile.....or cry or both." In time I pray you will be smiling most of the time. LeOra you are like a sister to me and I have admired your devotion to your mom. You did so much for your mom, for so long. You gave her the care that no nursing home or hospital could have. Now, I pray you get some rest. Love to you and all the family. Dori and Jim

“ *Anita was honestly the sweetest person I think I've ever had the pleasure of knowing. She always had a smile on her face. She raised my mom, Merri Austin & my mom always told me she treated her like she was her own. She will be missed dearly. May you rest in peace and fly with the angels. Give a kiss to my Poppa for me. Until we meet again.*

“ *I loved this woman . From meeting when*

*I was 12 years old, staying at her house w/Leora in the basement apt. We'd go to camp with Nita and Gramma Belpusi . They would take care of all of us that weren't theirs like we were . She had that laugh! Nita was always beautiful, she never aged. I feel very privledged to have had her as a friend. I would like to say that nobody was closer and took better care than Leora. I admire her so much for that.*
