“ Sending my deepest sympathy for loss...Andi and I shared a friendship from our early days at Madison Jr. High and through out our adult lives...I like to think a strong friendship doesn't need daily conversation and doesn't need togetherness as long as the friendship lives in the heart, true friends never part. I will always remember Andi and the friendship we shared. May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss. God Bless, Shelly Polge
