“ Dear Aunt Dolores, Audrey, Anthony, Christine, Lisa and Gary, Joe and I were very sad to hear about the passing of Uncle Anthony... Uncle Junior to me. I remember babysitting way back when. I have a lot of good memories growing up and having your dad stop by when we lived above Grandpa's store. He always had a camera with him and I think that is where I first learned to love taking pictures! He truly was the family pictorial historian! I have some great shots that I will try and post here from those days. I'm sorry we can't be there to give you our condolences in person but I think you know how we feel about family and the bonds we will always share. With much love especially to you Aunt Dolores from both of us. Margaret and Joe
