“ *When Anthony was about ten years old, we lived in his Aunt An Dobe's home and shared back yard with his family. He was always so kind to our two small sons, taught them to play baseball, spent time in our home entertaining them, etc. We have many fond memories of him. Our sympathy to all his family. Sorry to learn of Tony's passing. I can't express how much respect i had for the man. Such a great guy and family. I will hold my memories of him and some fun laughs and good times, including his master of the bar skills, way back at the Central City.

“ *Annette,
My dear childhood friend. I was saddened to hear of Tony's passing. He was always fun loving and easy going. I recall those early years when we both had yellow corvettes and raced around Syracuse. You and Tony in his vette and me and my date in mine. Oh it was a grand time. Such fun. I cherish the memory. I hope my caring, Annette, lessens the burden you and your family now bear. Shalom to you,
