“ Carlo and Family... please accept my sincerest condolences in this time of terrible grief and sorrow. Whenever you spoke of my dear Mother, Carlo, you used one phrase, “A Saint...”. I carry that with me always. I know that the same can be said of your dear Barbara, “A Saint...” in life and now in eternal life. I wish I could be there with you to mourn her passing and celebrate her life. Please know that she, and all of you are in my prayers. May she Rest In Peace, and May you find laughter and comfort in the stories you will share in the days to come.
