“ *Barb and her family lived across the street from us in Solvay where we all grew up. She was one of my first baby sitters. I can remember her making me jean shorts out my old worn jeans and fraying them when it was cool to have that fringe back in the mid 60s. She would order us pizza from Bianchi's. She always talked to me a lot and was fun to have in our house. Barb came from a great family and had a fantastic career. RIP Barb.*

“ I had the opportunity to meet Barb during our Junior year in Rennes. She was fun-loving and kind, and always a pleasure to have in the group. I can believe her students benefitted from her love of French and willingness to share what she absorbed in France & at Naz. It's nice to know she succeeded in parlaying her experience into a meaningful career & life. Sincere condolences to her family & friends. Kathleen Ramich

“ *Such a kind soul and gave the best hugs. I will never forget all of the fun things we did and talked about in French class. Such great memories like bagel parties, Uno, secret santa, the game where we would pick a letter and come up with as many French words as we could...Babybel and Laughing Cow cheese and crackers, talking about her beloved cats. And not to mention all she did for the high school musicals. The list goes on....you will be missed Ms. Tarolli.*

“ Ms. Tarolli was one of my all time favorite teachers. From 6th grade all the way up until senior year, she was a staple in my schedule. An Easy A, but also much more. She was a calming presence, someone who others could rely on to listen to their problems. There were countless classes where we didn't speak a lick of French, we just talked the hour away. And don't even get me started on how her presence encouraged me to do the musicals through school, she truly brought something special out of those that gave her the time to bring it out of them. RIP Ms. Tarolli, thank you for all that you gave to us kids.

“ I remember Barb dancing on stage during school musicals with the students! She loved making a cameo appearance, and the kids and audience loved seeing her shine on stage.
