I was very fortunate to have Grandma Brzostek attend my wedding. I will always remember dancing with her. I'm so grateful that my friends and NYC family had the opportunity to meet her.

“ I had the honor of meeting and getting to know my aunt Bertha, I didn't get to visit with her on a regular basis. BUT she was always at every single one of my life milestones. I've seen her a few times since my wedding. But the last picture I have of her is from that event and she was such a blast that day. I know she's at peace now with her siblings and her husband. My best wishes to all of my family. 💙
