“ I will always cherish every moment I had with you and carry you in my heart and mind forever . I had so many more questions I never got to ask you... time I needed to spend with you... things i wanted to say to you....your wings were ready... but my heart was not. You were the best grandmother a girl could ask for. You taught me things I carry with me every day, I think of you often. But it hurts. But no matter the amount of hurt I promise to remember you always. I know you will rejoice in the kingdom of heaven with your husband and children for eternity. I love you Grandma Betty💔💔💔 until we meet again.....
