“ Amy, Jeffrey, Holly, Judy and families, I am so sorry and shocked to hear about cousin Beverly. Although we didn't see each other often it was always a great pleasure to be in her company. I am so grateful that Pop got to spend time with her last summer. I was blessed to have had a wonderful conversation with Beverly just reminiscing about family as well, the day my Dad insisted I drop off a babka bread. I am so glad I did. She was an amazing, humble woman and a family treasure. You all are in my thoughts, and prayers. And please, let's stay in touch. Love you all.
