“ *Kim, Mark and the Colombo Family*
What a wonderful man your Dad was! I have so many memories but not enough space to share. The one that brings me the biggest smile was him always calling me by my name in Italian. Hearing it always made me feel like family! The hugs I got too during our times of sorrow. I'm very sorry for your loss. He will be missed by so many.

“ *I was lucky enough to work w/Carlo the last two years he was employed by Niagara Mohawk wkg. in the gas dept. He was such a caring compassionate man, full of love & laughter. We made each other laugh, he was all about family & friends, just a genuine joy to be around. My condolences to his family. Know that I will always keep him in my heart.*

“ *Kim , Mark & family. So sorry to hear about both your Dad and Mom. They were both incredible people. I saw your father many times over the years at Bagozzi's, we always chatted, joked. He always had a smile and was always there to comfort others in their time of need. Just fortunate to grow up with neighbors like your parents. Please accept my condolences.*
