“ *To Caroline's Family and Friends:*

We join in extending our sincere heartfelt sympathy to you and your family during this most difficult time. May happier memories help to sustain you and bring you comfort through this period of sorrow.

And may God grant her her wings as she soars to a place where she is free from all pain. To her loving family.....may the joy and laughter of her life, far outweigh the pain of her passing. She will indeed be missed, but never forgotten.

With love and prayers,

“ I knew Caroline for a brief period of time, but that time assured me of her goodness. She was warm, and funny and I loved her the moment I met her.

I am assured of her place in heaven as well as in the hearts of all who knew her.

You have my deep condolences and Carol will always have my love.

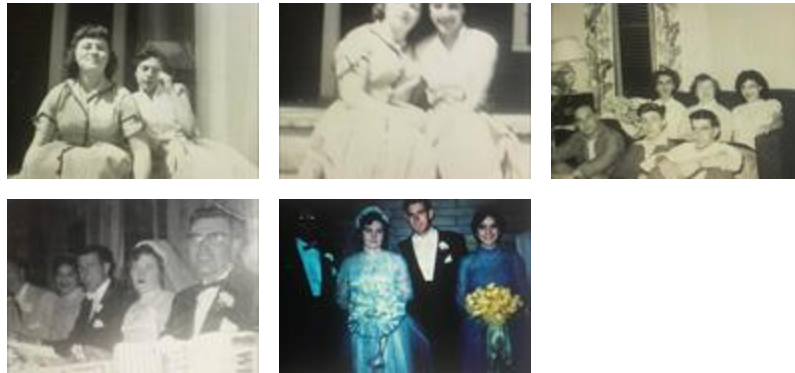

May Christ's peace be with you all.
