“ Dear Chuck and girls-I also worked with Carolyn at EFR and she and I became close friends. We have drifted apart with all of life's challenges thrown at us, but I do know all about her kind heart and love and concern for her family. She was a warm gentle soul and I will miss her. May the God that she firmly believed in guide you all through these difficult times. And to my buddy Kris, I love you kiddo. Love to you all

“ I knew Carolyn from working with her at Exceptional Family
Resources. She was probably the person I was closest to. I will
miss her kindness, generosity and love. We were all truly blessed to
have known her. She watched over us all and is probably still
watching from heaven. She was truly heaven sent.

“ *I worked with Carolyn for many years at Exceptional Family Resources. She was such an asset to our agency given her even disposition, basic kindness, and a eagerness to be of help to families of children challenged by intellectual or physical disabilities. She was a true servant; always ready to help wherever and whenever needed. I saw her in recent years as she dealt with this medical diagnosis and she was still the same Carolyn, hopeful, strong, resilient, and ready for anything. Blessings and peace to all the DaVia's.*

“ Carolyn was one of the kindest people I knew. She made this world a significantly better place! I remember when I used to work at EFR, I would always see her welcoming face as I would come in to drop off paperwork. That warmth and smile stuck with me. Later, I had the privilege to work with her in the office for about 7 years or so, and I got to see her on a regular basis. Even though I wish she would be here until 120 years old, the years she was here were special and she has made a permanent mark on me. Sending love to her family and friends, and know that I will always feel warmer when I think of Carolyn.

“ Chucky and family, I'm so sorry about the loss of Carolyn. I had seen her last at the club within the past few years and she was just the same as I remember her. She was a nice person and I know you and the girls and their families will miss her. God bless her and your family, may she rest in peace. The photo tribute is wonderful.

“ Carolyn, I miss you so much. It is still hard to believe that you are gone. Thank you for being a great big sister. Being miles apart for over 40 years was difficult, but, we made it work. I'm glad we shared the last five years with in person visits in Syracuse. Your legacy will live on through Chuck, Kristin, Andrea and Lauren. Your granddaughters will have the most amazing memories of your love and dedication to them. I will never forget our last phone conversation. The most important part was we said, "LOVE YOU!" to each other. May you now be pain-free and reunited with mom and dad and grandma and grandpa. God Bless you forever....until we meet again.
