“ *Just borrowed*

*They borrowed you to be their son
They watched you crawl they watched you run
We borrowed you to be our dad
You indeed gave all you had
we borrowed you to be our grandfather
taught us how to give you some sugar
We borrowed you to be our brother
And always looked out for each other
we borrowed you to be our uncle
And received the joy that you would sprinkle
we borrowed you to be our friend
Unfailingly a hand to lend
He created you to be your savior
opened his arms for you were in his favor
And though God made plans for you above
We are grateful for your lasting love*
