My dear brother, you are gone, but will never be forgotten. I have so many memories of growing up with you and going to see your different bands. I am sorry you never got to be a rock star here on Earth, but I bet you are banging those drums and singing up a storm in heaven.

I will always love you...your sis

Hey Dan , It's Ken- I am so sorry that I could not be here when you left this earth. I want you to know that I will miss you more than words can express. My heart will ache but my mind will rest knowing that your pain is over. I will only say this for now but you and I will talk and laugh when I see you again. Love you my brother!!
