*I had the good fortune of working with Dario when he was a messenger at Hancock Estabrook. He was a gentleman, always smiling and kind, we were sorry when he left for a well-deserved retirement. I know he will be missed.*

*I love the remembrance video. What a beautiful tribute to your husband, father, grandfather, and great grandfather. I especially loved seeing the 4 generations of Meluni men together and making pasta. After years of hearing stories about your families activities it was wonderful to see them.*

*Our thoughts are with you all.*
