“ Hey DeeWee! A few days late and what's knew, right? It's been a pretty sad year so far. I sure could use your shoulder to cry on. Never realized how many horrible things could happen in such a short period of time. Hope it's beautiful and peaceful where we go from here. Yikes 😞

Missing you dearly

“ Hi DeeWee
I'm a few days late again. What's new right? Always thinking of you and I always have something good to share with you. There are still days that I forget you're gone. I'll always love you and forever miss you 🥺
