“ *My Dear Brother, you continued to amaze me with your many talents. Your culinary skills were unmatched. I remember the contest we had with Italian meatballs. Yours and mine were pretty darn close! We would have made some team for a future food joint together. You are beautiful and I love you to the moon and back. It hurts like hell to say goodbye. You are my Hero! Well done my brother. God Bless and keep you.*

“ I was saddened to hear the news of David's passing and would like to extend by condolences to his family. I've known "Bosco" because of his many years of service as Union President of AFSCME Local 815. Dave was a passionate leader of men. I always appreciated his candor and directness when it came to addressing issues with the Village or management. Yet what was striking was that despite the seriousness of the matter he always found a way to inject some humor. His uncanny ability for levity in tense situations often fostered an atmosphere conducive for resolution. His approach and manner were genuine and tremendously respected by his coworkers as is evident by his repeated election to Union President. I believe I speak for the Local and the Council when I say David will be sorely missed. Rest in peace brother.
