“ *I'm so sorry to hear about Dave! I knew him through his cousin Jeff and we all hung out when I was in high school and after college on occasion. Dave was always joking around and up for having a good time. My condolences to your family - you'll all be in my thoughts.*

“ *Deb: I will always remember David as a sweet little boy who socialized with my daughters back in the 1980's. I have a nice memory of us all going camping on Lake Ontario with all the kids (yours, mine, and Maureen's) - that was a fun time. Try to hold onto the good times, knowing that you did all you could possibly do to help him.*

Your Syracuse (now Florida) friend, Denice.

I knew Dave when I was in high school and after . A bunch of us used to hang out and have fun. i remember him working at The Paper Cutter in Camillus Mall. We had a lot of laughs and enjoyed much of the same music. He was a quiet man but could always crack a smile. I know he went and was going through some tough times, and its saddening to see him go. May he find true happiness and serenity in God's kingdom. i pray our heavenly father grant his family solace and comfort in his passing. Rest in peace David, and please come greet us when it is our time to enter those pearly gates.
