“ *To the Noffey & Marascalchi Families,*

I am very sorry to hear of Diane's passing. I worked with Diane at Le Moyne College in the Business Office many years ago. She was very welcoming to me when I first came to Le Moyne. I remember her excellent sewing skills and still wear the scarf she knitted for me. May you be comforted by happy memories of special times spent together.

“ *We had a great friendship all these many years. We've had a lot of
laughs together, and even cried together. I will miss her, but I know I
will see you again one good day in heaven. I also admired how
crafty she was. She had a good heart. Rest in peace my dear friend.*
