“ She was a wonderful mom to any and everyone that went over to her home. I remember one time when I was in high school we were having a sleep over at the house. There were maybe 4 of us girls. We walked up to Tek Cleaners to pick up Cindy after work, went to Wallys for something to eat, back to the house for a bit (listened to Red for a bit) then back out to State Fair Boulevard to walk to Lakeland Diner (when it was at the top of the hill) then back to the Falcone home. Dolores never went to bed, made sure we were all ok, then made us breakfast in the morning! Back in a time when parents looked after not only their own kids, but others also. She continued her love of children by being a bus driver for Solvay Schools for many years. A truly beautiful woman!!!

Delores was a lovely lady who I knew well from the Solvay Geddes Veterans Auxiliary. I missed enjoying her company. Rest In Peace Lovely Lady.
