“ Dear Callisto Family,  
Please accept my condolences. God is always near to those who have a broken heart. It's hard to bear the loss of someone so dear as a mother, grandmother, great grandmother...  
May you be comforted by the outpouring of love surrounding you and her legacy of cherished memories. I worked with her son Tony at SU years ago. His integrity is a tribute to his parents. God bless.

“ *My sincere and heartfelt condolences. I met Edith when she would quietly stroll into my mom's room at the nursing home. Often didn't speak but her smile said it all. Often she would leave her walker behind and walk away without it. I would smile as I would go find it and bring it to her. Her little dance she would do made my day. Her daughter Lucille and I would often chat. Was as kind as her mom. Edith will always have a special place in my heart. She loved when I would bring my cats and dog for visits. ❤️ Ilene Stephens*
