“ I have some wonderful memories of Ed and Janet. They were so much fun to be around! They both loved kids and had big hearts. I can remember them picking myself and my sister and brother up from their parents home; Aunt Hazel and Uncle Russell so we could go to their house for dinner. We had so much fun playing with our cousins. Many times they would pick us up so we could go to the movies with their family! We will never forget Ed and his great smile and loving personality!
