“ *I had the pleasure of speaking to Mr. Russo on the phone for over two years now on behalf of the company I work for. In that time he has shared a great deal of his life with me, lessons I will take and cherish on this journey. I'm thankful for the time we got to spend on the phone, he always spoke so highly of his family and friends and never said anything he didn't mean. My sincerest condolences to the Russo family, may you all have peace and comfort at this time.*

“ Love is  
never have to work at proving you care  
Care is  
Showing that you love without saying it - F.M.Russo jr

My brother was my best friend and for many years he gave me encouragement and support after my fathers death. We shared the love and respect all brothers should be lucky enough to share with each other. We shared good times and bad, the ups and the downs. We never fought and seldom did we disagree, he taught me to, "Do Right" and give life 110%, those things always served me well. We laughed, cried, shared meals and learned from each other. When he married I loved his family, his friends were my friends and mine were his. When his son my nephew grew to manhood the three of us were the 3 Amigos and spent years of quality time together. I could write a book of memories I shared with my brother. I regret not seeing him more in the last years, I moved to Florida and my time was consumed by parenting duties. None the less, my love for my brother never waned and although my old heart will pine for him, I will continue to love him until the day I die and see him again on the mountain on high. I love you Mike, all your family and every friend, Love always, your brother, James Salvatore Russo.
