“ To The Litz Family. I am very sorry for your loss. I remember Fannie from church and I brought her Communion every month until the virus started. She was a beautiful lady with a great sense of humor. I enjoyed our visits and I miss her. I'm sorry I won't be to attend her service tomorrow, I have a medical appointment. I will get a Mass Card and have Bagozzi's send it to you. May her soul rest in Peace. God Bless you all.

“ I can still remember the rainy day when a few of Fanny’s girls and her brother drove over to the apartments so Fanny’s brother could see where she was moving to. It was an emotional day for all of you as you thought of your mom leaving a home she loved and raised a family in, to move into a place that was more manageable. I witnessed the love you all had for her and each other from that very first time I met all of you. It was very apparent to me the special bond that existed amongst all of you. Fanny was truly a gem of a gal and I always had fun with her and enjoyed getting to know all of you. I know how much you loved her and I could see the love she had for each of you. May your beautiful memories carry you through these most difficult days and put a smile on your faces later on. She had a sparkle in her eye and a quick wit that I truly enjoyed. Please know that you are all in my thoughts and I will pray for the peace of our loving God to cover you all at this most difficult time. Much love to all of you. Debbie Sierotnik
