“ *My deepest sympathy to the family, Frank was a wonderful person. I worked (and played) with him years ago at Priscilla. I have so many happy memories of him from then. I am glad to hear that he continued to travel to Europe and that he learned a new language as an adult, I'm a little jealous!
Frank my friend, you will be missed!*

“ Paula and Randy, My heart goes out to both of you in this time of deep sorrow. I am so sorry for the loss of Frank. I met Frank back in 2011. He had fallen and gotten hurt, but was looking for a home to purchase. We looked at many homes over the months and he couldn't find anything he really liked. Finally he decided to build his dream home. He loved his new location as he said it was so convenient for him, with all the amenities he needed close by. To this day, after being in real estate for 50 years, It remains my favorite home. He had fabulous tastes and tended to every little detail. It had to be perfect and it was.

He was an amazing man. He was very proud of his cookie jar collection that he acquired in his worldly travels. He talked about the love & respect he had for his mom and brother. Paula you were especially very dear to him. You were always there for him. He always said such nice things about you. I remember bringing him homemade Italian cookies for several holidays, which he seemed to really enjoy. We kept in touch until 2020, when the pandemic struck. I am happy that I got to know him. I'm sure everyone thought the world of him. My thoughts and prayers are with you.

May God Bless all of you during these trying times. If you ever need anything, Please call #315-254-7990. Love and prayers, Rose E. Angotti

“ Like a brother/boyfriend... Frank and I loved the farmers market, shopping as he had such great taste and playing jokes on each other. He encouraged me to travel.
I'm devastated by the loss of my beautiful friend.

“ I am so sorry to hear of Frank's passing. He was my buddy for many years at Priscilla. We laughed, shared haircutting tips and were part of the family that Priscilla created. Go in peace and know that you will be in all of our hearts.

“ My prayers for comfort and peace to you. Frank and I started our hair career at Umbertos. We were apprentices together. We had a lot of fun and learned about the crazy business of hair. Frank was a most talented stylist. He always had a flair for creating the right look on a client. Frank will be missed by many as many loved him.
