“ *My condolences to the DePalma family for their loss. When I lived in Syracuse many years ago I met Frank and we became good friends. We spent time together and he was one of the kindest and thoughtful people I ever knew. Every once in a while someone comes into your life you never forget and remember with fondness. That is the way I felt about Frank. May God keep him in the palm of his hand. I am sure he is with the Lord and at peace.*
