“ *I remember Gatia and the Colonel visiting Houston on several occasions. Your mom was first class all the way. I loved hearing her stories - especially about the picnic basket complete with fully stocked bar. You mom and dad knew how ti picnic!! Steph, Matt and Lisa, I hope that your feel God's presence over you in the coming days. I know you're left to mourn her absence here on Earth but just think of how happy your the Colonel is to have her back in his arms again. Peace be with you all.*

“ *Stephanie, Lisa and Matt,
I am so sorry to hear of the loss of your Mother. I did not have the privilege of meeting her in person. But, knowing her 3 children and what wonderful people you are speaks volumes as to the woman and Mother she must have been.*

My thoughts and prayers go out to each of you.

Love, Robin

“ Dearest Stephanie, Lisa and Matt,

I am so very sorry to hear of Gatia's passing. She was truly an absolutely lovely woman. I will always cherish the memories of walking in the door at Lynmar Lane and being greeted by your Mom, with a huge smile and a warm hug.

Remember when we lost The Colonel and all met at Kelly's? Poor Gatia was freezing, so she borrowed my hoodie. She looked like a teenager:)

You all should be very proud of the wonderful care you took of, both her and Joe, in their later years.

Please take good care of yourselves during this difficult time. If you need anything in Syracuse, I got your back.

*Love,
