“ I was Dr. Turner's dental assistant at Ft. Carson, Colorado. Even with the difference in rank, he always treated me as an equal. He treated his patients with dignity and professionalism.

“ I fondly remember Dr. Turner as the most kind and caring dentist and orthodontist growing up! My family and I went to him for dental services and orthodontia. He always made us feel so welcome and like family! He corrected my very severe overbite and gave me the much needed confidence to get through tough high school years. I owe my straight teeth to this gentle, caring and kind hearted soul! I will always remember him fondly and pray for the repose of his soul. May the souls of the faithful departed rest in the peace of Christ 🙏
