“ Grandma, I will miss our talks about life and love, and your guidance through tough times. I will miss your giggles and smile as we watched “Twilight Zone” episodes late at night that sometimes frightened me. I like scary movies now because of you and will never forget that “they’re only movies”. You taught me to be honest and secure in myself and I will never forget that. I will truly miss you

“ Mother - May you always walk in sunshine,  
and God's around you flow.  
For the happiness you gave us,  
No one will ever know.  
It broke our hearts to lose you,  
but you did not go alone.  
A part of us went with you,  
the day God called you home.

*Rest in Peace Love you - your son Jerry*
