“ From Karen, Charlie, and Bella Dennis we spent many a hot days at Yimmies pool I changed his name. Jimmy loved my salads so I would make him a huge one he could have the next day. We also went on some gambling trips over the years we always had fun. Bella passed away so I know she is with Ronnie and Jimmy having fun they are all young and having a ball. Will see you soon love you so much Yimmie.

“ I love Jimmy. He was the best uncle in the whole world. Jimmy has been at all my sports games since I started when I was 5. Varying from recreational basketball, pop warner football, soccer, baseball, high school football, basketball, and track. I can confidently say he was my biggest fan. After all my football games no matter the distance he would always make sure I had my favorite sandwich from Brooklyn Pickle (ham and cheese) in a cold lunch box with extra pickles, a bag of chips, and a blue gatorade. Jimmy did and would do anything for me, frankly he never said no haha. He loved me and I knew that. I miss him so much.
