“ *What precious memories we will always have of Johanna convincing us we needed to have new kittens after our Yellow tabby Sam passed away. She and Dick met us at the Humane society and Keebler and Magic had a home. With great memories of songs, music and friendship. Steve and Sue Nagen*

*Dear Richard and Family, My heart is heavy with sadness, with the passing of your wife, Johanna. I will always remember her kindness and sense of humor at work at Carrier. This has been a tough month of December for the loss of past friends of ours, like Dixie and Curt Tobin Sr. Also. I regret not staying closer but I think my reasons are mainly of my own personal fear and shyness of getting too close to people.

“ When I think of the countless hours that we all spent together in choir it brings up nothing but fond memories. Johanna was such a blessing to our church and no matter how she was feeling, she always showed up for mass. Johanna and I worked tirelessly as the appointed committee to find our new church organ and she taught me so much along the way. I will always remember and never forget the kindness that you showed me throughout the years, sleep well in the peace of Christ.

“ Dear Dick, and also to the Duell ~ Canestrare families,
Please accept my sympathy. I join you in the the loss of such a
shining star in your lives...
In the mist of my fond memories, I smile when I think of Johanna.
She and Dick were volunteers for hospitalized children, and
generous donors of special needs, when I worked as the Child-Life
Specialist aka “play lady” at Upstate’s Pediatric Hematology
Oncology Clinic and when I was Exec. Dir. at the CNY RMH.
Johanna’s smile was so infectious and she had a great laugh that
came from somewhere deep inside her heart.
Johanna was so blessed with her husband Dick by her side, a
sense of joy shone from behind her eyes. Everyone Johanna knew
and loved basked in the warmth of her personality and her sense of
fun. Shared moments with Johanna (and her husband aka ‘partner
in crime’ Dick) were a gift, I will always treasure. So sad to hear of
her passing, the world was a better place with Johanna in it.
Sincere sympathy,

I have known Johanna for over 70 years as we both grew up on the
north side of Syracuse as childhood friends. We stayed friends through
school and our whole adult life. I will truly miss her. She was so special.
RIP JoJo. You will always be in my heart so many wonderful and fun
memories.
