“ I meet John in 2014 and worked with him until 2021. I was fresh out of high school and he was a tremendous friend and mentor. I went back to the old job to visit a couple of years ago and was able to see him then. May he rest in peace. My condolences to his family and friends.

“ We are so deeply heartbroken to hear the passing of John. He was such a sweet, caring and friendly guy. We have known John for many many years. Every time we would run into each other at church we would catch up on life's happenings. Gone way to soon. Prayers to his sister and family and friends. May your wonderful memories carry you though during this difficult time. Mary Jane (Capella) and Pete Costa.
