“ Last year at a race at 10/10 Tim had a new X-pro stocker. The car was awesome! He practiced on orange and qualified good . Started on white , I was marshaling the leadon and the car wouldn't turn so the colorful comments started. Red was next and car was worse!! Tim kept laughing “ should have tried red and white, f—k it I need a smoke!! Tim's demeanor was addictive. “ it will work at pj” never got mad or blamed anyone for a bad race.
Tim will be sorely missed
