Heartfelt condolences are extended to Joe's family at this very difficult time. I was deeply saddened to learn of his passing. I'd like to remember Joe as the 7th grade student I taught in middle school. He was polite, respectful, a good athlete, a good student and above all, a good kid. R.I.P

“ I'm so saddened by this . I hadn't seen Joe in quite a while and I drove by Gordon Pkwy last week and thought of him and how we all used to play baseball in the field at the end of our road . I smiled and chuckled and found out the very next day my dear friend had passed . I missed Joe for a long time now and was so upset at this news . Love you buddy ,rest in peace and I will see you on the other side and we can play another game of ball my man ! My thoughts and prayers to Mr.and Mrs. Natoli and John Jimmy and Terry . I love you all.

“ Joey would drop in all the time, especially for SU basketball games . He loved how loud we were lol. He was the only Natoli boy who would call Bob and I by our first names and we liked it ,more like cousins than neighbors . Remember taking him an P.J. to Howes Caverns and he talked the whole way. We will always remember him with great affection RIP Joey
