“ I'm so sorry to hear June has passed. She was a good friend that I met at Calvary Church in Essex Fells, NJ and we just lost touch. She wasn't one to always answer her phone! She was the sweetest person and very jovial all the time. She adored her family and every person was special to her. Gail Conay (717) 476-2260

“ Pat and Amy, your mom and I became friends in kindergarten which was held at the library building by the high school way back in 1945/6, then went on to Squiretown Elementary, and became one of the first classes in Livingston High School when it was a 6 year school. We graduated LHS in 1958. From the beginning she was part of our family and spend many hours with us. We shared many ups and downs through the years. She was the best kind of friend and many good memories will help us through the loss. Our deepest sympathy to your family. Love Auntie Jane and The Amazing. xoxo

My deepest sympathies on the passing of your mother. I know she will be remembered with love and there is no greater legacy than to have been loved. There is an excerpt from The Little Prince by Antoine de Saint-Exupéry that comes to mind.

“And at night you will look up at the stars. In one of the stars I shall be living. In one of them I shall be laughing. And so it will be as if all the stars were laughing, when you look at the sky at night. And so you will love to watch all the stars...

You—only you—will have stars that can laugh. There is sweetness in the laughter of all the stars....and in the memories of those we love.”
