“ *We have many high school memories with our Belvidere High School class of 1958. Ken was always good for a laugh. We have all kept in touch through our class dinners and class reunions over the past 60 years. RIP, Ken!!!*

“ Ken and I were high school classmates and he was a friend of my late husband. A happy go lucky guy who continued to stay in touch with his classmates by attending our dinners and luncheons whenever he could. His last message was that he would be coming down in the spring. My deepest sympathy to his family and know that it was my pleasure to be a classmate and friend. Janet Good Nooitgedagt

“ Ken and I graduated together from Belvidere High School in Belvidere, NJ. He was a happy fellow and great friend. We played football side by side...me at guard and he at tackle. We lost touch after high school but his photo here doesn't look much different from the way I remember him. Best of all to his family! He was a very good man.
