We will miss your great sense of humor and the way you made everyone smile 😊 . I will forever cherish the times that we spent together. I love you 💕 until we see each other again .,

“ My best friend - my amazing Brother! I was there everyday you were in the hospital-you called and needed me and I was right there. My heart is totally shattered 💔 that you left me physically, however, I'm so glad you do not have to suffer anymore. You've suffered more than enough. Thank you for watching over me - enjoy your peace now Brother. I'm at peace as I was able to be there holding your hand as you went to sleep. I will continue to honor your wishes! I love love love you and miss you beyond words!!! It brings me joy knowing you're back with the love of your life - Julie❤️👍👍❤️. Thank you for being my Brother and truly my best friend. *Just so everyone knows - MY Brother disinherited Anna Mae over 20 years ago. He hated her and wanted nothing to do with her. She's just trying to get attention!*

*Carol why would you say such awful things when this is family. There are things that have been said about you by your brother...let him rest and heal your family...not destroy it...*

“ So sorry for everyone's loss. I went to school with Kenny and over the last 8 or so years reconnected and became good friends. He loved to joke and laugh. He will be missed by many family members who loved him very much. And I will miss him and his friendship and laughter.

*Yes, Kenny sure did like to joke around and I am so happy that he introduced us and we all were fun laughed and had a good time together these past 2 years...He will be missed and we were stupid together and sent snapchats back and forth and poopie poppie and trying to move his freaken furniture around and making each other laugh that is what he did. Going to miss this and his love hate relationship we had. Because he did love us...and I loved him because he wanted me to take care of him at his house and it was my pleasure because he helped me out as well...that's why we are call family!! Til we meet again cuz!! I love you...❤️☐*

*Kenny was a good hearted soul. When I was about to meet Kenny for the first time, I was "warned" that he could be mean and hurtful at times . That couldn't be further from the truth. Kenny was a kind hearted jokester and always had a good one liner ready. I enjoyed our visits this past fall . Fly high Kenny ...*
