“ My deepest condolences to the McTomany family. Have such great memories of hanging out with Kevin, which most of the time included playing some sort of softball or baseball, we would play catch for hours on end (which could be a challenge for me sometimes as he had taught himself to throw a nasty Curveball). I have included this picture of our 7th grade softball team that won the school championship. I also remember his love of drawing & painting. He was a great person. Deepest condolences along with thoughts and prayers.
