“ Ed & all the extended Puma family, the while I didn't know Laurie, I was friends w/ many of you (esp John) for many years 'back in the day', mostly through the CNY music scene. I send all of you my sincere condolences. May always keeping in mind all the years of good memories w/ Laurie bring at least a bit of comfort.

“ *To all of Laurie's family I cant imagine how hard this is. Just know that her family was her biggest achievement! She always talked about her family with such pride! I worked with Laurie for 20 years at the ARC, she put her heart into her work ( her people) many Fridays we gathered in solvay to unwind! I have many fond memories of our years together. She was an angel on earth! RIP Laurie, your absence won't go unnoticed. 🙏❤️*
