

LaurieAnne (Susco) D'Agostino

November 21, 1968 - February 28, 2026

LaurieAnne (Susco) D'Agostino passed away at home on February 28, 2026, surrounded by her family after a courageous battle with cancer. She was the heart of her family, carrying them with strength and endless love. LaurieAnne loved golfing, sunsets, and days at the beach. She was a member at Tuscarora Golf Club. As a physical education teacher, she found joy in guiding her students and helping them succeed. Most of all, she cherished being a wife and mother.

For 26 years, LaurieAnne shared a joyful life with her husband and best friend, Roy. Their marriage was filled with laughter, partnership, and a deep friendship that many would envy. They tackled projects together, traded endless jokes, and built a home that was as warm in spirit as it was in heart. To her beloved children, Gianna and Anthony, she was the most devoted and loving mother. Nothing in this world meant more to her than her two children. She never missed a moment, every milestone, every celebration, every ordinary day was sacred to her. Her greatest joy, proudest accomplishment, and deepest love in life was being their mom.

LaurieAnne had a Hollywood smile that could light up a room before she even spoke. She was effortlessly photogenic, but it was her eyes and her smile people always remember. She loved organizing everyone's closets and cabinets, and kept her family on schedule. She had an eye for detail and a gift for making spaces beautiful. Heaven is about to get a beautiful touch of shiplap.

LaurieAnne was at every function, every holiday, every gathering, always with that beautiful smile and great sense of humor. She helped without being asked. She made things easier. She made people feel at home.

She is survived by her devoted husband of 26 years, Roy D'Agostino; her beloved children, Gianna D'Agostino and Anthony D'Agostino; Step Daughter Ashley Cargo, her mother, Rosemary Susco; father and mother in law Roy(Stephanie) D'Agostino; her brother, Joe (Nicole) Susco, brothers and sisters in laws; many loving Aunts, Uncles, nieces, nephews, cousins and 4 granddaughters.

She was predeceased by her father, Arthur Susco.

Our hearts are broken without you, but every memory, every laugh, and every moment we shared keeps your love alive with us always.

“ I knew Laurie through my cousin Roy. I didn't know her that well other than seeing her at family gatherings and such. She was always very kind and sweet. The few conversations that we had felt genuine. It wasn't just the small talk. She made you feel comfortable to share what was on your mind. I'm saddened that she's no longer with us. My deepest condolences to Roy, Gianna, & Anthony. As well as the rest of her family.

With her 'Youz guys' and her endless enthusiasm with our students, I knew she was going to be a great teacher!! “ That picture says it all. Laurieann brought a light to each and everyone she met. She didn't just say nice things about those she knew, she embodied what it meant to care about each and everyone who had the honor to have known her. Heaven gained an Angel when she passed, however, I will cherish the memories we all have of her! We love her and her family!❤️

“ To the Family of LaurieAnne,

I had the privilege of getting to know Laurie when I substitute taught for her and with her at Auburn High School. She always spoke of her husband and children with tremendous love and pride. She was a warm, caring, compassionate woman who I always looked forward to seeing. Her students loved her. It was easy to see why. I am truly sorry for your profound loss. I know you all had many wonderful and joyful times together. May those memories sustain you in your grief.

“ *Laurie never a person who didn't love her! I had the pleasure of working with her for the past 30 years at both Hazard St Middle School and C-O BOCES! I will never forget driving her to her interview at BOCES. I was working in my room while she was in the interview, and my phone rang... it was the principal, and he asked if I could join them. When I got to the room, he said that she was just nervous and thought that maybe having me there would make her more at ease. Needless to say, she got the job and we got to be colleagues for 26 more years!!!
My deepest condolences to Babes, Gianna and Anthony! You were her world! The love she had for you 3 was immeasurable!!!! It won't stop here!!! I pray you feel her presence and love always as I know she will always be with you! We lost a beautiful soul, but Heaven just got much sweeter!! 🙏🙏🙏*
