“ I will forever remember how much better you made every day I worked with you at the spca. Your personality could make even the worst day feel like everything would be ok for a little while. You will be greatly missed by more people than you probably realized.

Linda was a wonderful person - she always made me smile! The first thing she always said in the morning when she walked by the cat rooms at the CNYSPCA was “Good morning babies, momma’s home”, and she was. She probably never knew how much she brightened all of our days with her smile and upbeat personality, and she will be greatly missed by all who were fortunate enough to know her.

“ Those of us at the CNY SPCA who were at the shelter when Linda volunteered had the joy of working with her. She was dedicated to the animals, and to making all of us humans, staff and volunteers, feel cared about. She will have a special place in Heaven in honor of her love and dedication.

“ There is one very distinctive thing I will never forget about Linda ... her LAUGH!! Once Linda got going laughing, it was infectious. Her laugh came from the bottom of her feet to the top of her head. Her entire body and being was tossed into a wonderful laugh and smile. She laughed from the inner part of her soul. She enjoyed laughter!! When I think of her, I always remember her laugh and its splendor.
