“ Aunt Dot, Suzie, Bob, Brooke & a Eric my deepest sympathy to all of you. So many personal memories I could write a book. Was a father figure to many kids growing up. Whether we had a dad or not. Was a positive role model to everyone. Never afraid to reprimand any kid who needed it but did it like know other, kind and explained what we did wrong, why we shouldn't do it and what we should do. Myself over to your house everyday. Never did I ever feel I wasn't welcome. So many great memories I will cherish forever.
