

LORRAINE (SNELL) SCOVILLE

May 1, 1973 - April 6, 2020

Lorraine Ann Scoville, age 46, passed away peacefully April 6th, 2020, in her home surrounded by her loved ones. She was born May 1st, 1973 to John and Ann Snell in Syracuse with her two older siblings, John (Deb) Snell and Kate (Chuck) Garbutt. She was a devoted New York State employee for 17 years in which she developed lifelong friendships that she considered family. She retired from SUNY ESF in 2016, where she started her fight against Ovarian Cancer.

Lori is survived by her loving husband, Jeffrey Scoville, Sr., 3 children, Kylie, Jeffrey Jr. (Brooke), and Corrine, and 3 grandchildren, Avaleina, Bristol, and Maelie. She was loved by her loving aunts, uncle, her immediate nieces and nephews, Robert (Tara), Charles (Jen), Tyree, Keano, Mijia, Tylina, Madeline, and Zach, also her cousins and their families who brought much joy and love to her. Lori's impact on this world will be carried through each of her children as she continues to influence those lucky enough to have known her. She was so full of life and emotion for everything she did and everyone she cared for. She was passionate about the time she spent with her family and loved to play with her grand-babies any chance she could get, and will forever be a bright light on all. Her goodness, her caring, and her wisdom live on - like a legacy of love that will always be with you. May that love surround her and bring her peace.

In memory of a life so beautifully lived, and a heart so deeply loved. She is our teal angel and will always be with us.

Private services will be held at BAGOZZI TWINS FUNERAL HOME, Solvay.
Private burial will be at a later date.

In lieu of flowers, donations may be made in her memory to McMahon-Ryan
Child Advocacy Center, 601 E. Genesee St, Syracuse, NY 13202.

“ To the Scoville/Snell family,

I had the pleasure of working with Lori when she worked at SUNY Upstate in the Inpatient Billing dept. she always knew how to put a smile on someone's face. She had such a bubbly personality and she had a great sense of humor. Even when we both went to different state jobs we always kept in touch. A few years ago I had the pleasure of meeting her sister cause we work in the same building. I'm so sorry for your loss. Your family is in my thoughts and prayers during this difficult time. When I think of Lori my heart hurts but when I look at her pictures it makes me smile seeing how many peoples lives she touched and brought joy to.

“ Rest now teal angel. You earned those beautiful wings. It was a pleasure knowing you and sharing this journey together. I'll miss our walks, talks and lunches. I know you wanted to live so badly to enjoy your family. It breaks my heart 💜 but I know you are out of pain.

Until our souls meet again, I'll be listening for whispers in the teal waters of the south you loved so much.

With love ,respect and friendship,
